

## Beaver and Cub Groups seek new leaders

The two village pre-Scout groups are in urgent need of new leaders. East Keswick and Bardsey villages support these groups jointly so the Beavers (6 to 8 year olds) run at East Keswick Village Hall before moving onto the Cubs at East Rigton Scout Hut. Both groups are oversubscribed and have a loyal following of likable well behaved youngsters. For the past eight years Lynne Dack and Helen Chomyszen have run the Beavers but have now announced they will step down next July making the next eight months an ideal time for new leaders and helpers to shadow them. Both are at pains to point out that you do not need to have previous involvement in Scouting or Guiding to take on the role and the Scout movement is very supportive to all who come forward. So what's stopping you? If you'd like to help these groups continue you will gain a rewarding and satisfying role helping enthusiastic village youngsters. For an informal chat, phone Lynne on 572454 or Helen on 572628
