

Christmas in the village -what's happening, what changes?

Observant visitors to this website will have noticed a new tab of late, one which reads Christmas in EK. Click on that for the latest details of what's happening this Christmas and the alternations to opening times, bus services, milk deliveries, turkey collections and much more.

As with all aspects of this website, if you'd like anything adding please email andrew.batty@cmsadvertising.co.uk. As compiler and news updater, can I also take this opportunity to wish all readers a very happy Christmas and a healthy and prosperous new year.
